INSTITUTIONAL DISTINCTIVENESS

The structure of Higher Education in India may still be seen in a flux due to the rapidly changing global scenario with substantial infusion and introduction of ever new cutting edge technology. The difficulty primarily emanates from the enormity of the system to manage, within the given resources, human or otherwise. The exigencies of circumstance and the need to keep afloat in competitive times as necessitated by the homogenous global structure built upon the socio-industrial complex, forces the administrative authorities to respond accordingly from time to time. In the case of state run colleges there are two distinct administrative authorities, the state apparatus itself for major administrative regulations and the University for the Academic Tasks. The daily routine administrative tasks are carried out by the institution itself. It may not resonate very well but the reality is that it is very difficult to single out one distinctive area as per its priority and thrust in a provincial government run education system that is merely an implementing agency of the plans and policies promulgated by the administrative authorities.

The challenges and the exigencies of particular times have always had a direct bearing upon the 'aims and objectives, and the methods' of an 'education' that the society wishes to impart to its upcoming generation. The complexity of the entire system of education however, underlines the primary objective - as the 'individual and social well being' of its citizen. This involves awareness of the micro and the macro, curiosity with regard to the known and the unknown, will to learn with body and mind, skills to learn with the material and the non-material, expansion of the spirit, broadening of perceptions, recognizing threats and challenges to self and the surrounding environment, and the material manifestation of the positive ideas so that the

individual, families and the societies may sustain and flourish in time locally and globally. In our time, humankind has transcended its natural limitations and has come to recognize the tremendous benefits of economics, organization and industry aided by that unique method of research, exploration and prying out answers we call ‘Science’. Indeed, Science is the way to knowledge and wisdom.

All this, however, can no more be kept at a local or a regional level. Now, we have to embrace the ‘global citizenship’ and hence the ‘Government Post Graduate College, New Tehri’ has a host of committed and qualified teachers to engage the students with in as many as 19 major subjects. During the period 2017-18 to 2021-22, the institution can boast of an excellent student-teacher ratio which resulted in a commendable performance of the students in academics. In spite of being located in a hilly terrain, the institution offers courses in maximum disciplines and most of the Departments also have an adequate number of teaching and non-teaching staff. This imparts the institution with distinctiveness resulting in better academic delivery and can be highlighted through the points mentioned below:

(i) A consistently high teacher-student ratio with most of the faculty members with PhD degrees and required qualifications as reflected in the table below:

A.Y.	Number of faculty members	Faculty members with PhD	Number of Students	Teacher-Student Ratio
2017-18	48	44	878	1:18.29
2018-19	48	45	872	1:18.17
2019-20	47	39	677	1:14.40
2020-21	50	35	590	1:11.80

2021-22	48	35	584	1:12.17
----------------	-----------	-----------	------------	----------------

(ii) The quantitative and qualitative abundance of faculty members resulted in better performance of the students in University examinations. The consolidated results for the five year period from 2017-18 to 2021-22 are as follows which reveal an overall average pass percentage of 77.36% for undergraduate courses and 88.09 % for the post-graduate courses.

Academic Year	Program	No. of Students Appeared	No. of Students Passed	Pass Percentage
2017-18	U.G.	220	193	87.73%
	P.G.	135	121	89.63%
2018-19	U.G.	188	184	97.87%
	P.G.	109	108	99.08%
2019-20	U.G.	168	123	73.21%
	P.G.	95	85	89.47%
2020-21	U.G.	138	75	54.35%
	P.G.	69	60	86.95%
2021-22	U.G.	95	70	73.68%
	P.G.	73	55	75.34%

(iii) The students have also been able to perform well in various competitive exams.

(iv) More than hundred students of the Institution were awarded with scholarship during this period.

(v) The following students from the college participated in the National Youth Festival in the cademic year 2019-20:

S. No.	Name of the Student	Topics for Discussion	Remarks

1	Renu Topwal	-	Participated
2	Kajal Bisht	Global Terrorism	2nd Position

(vi) Five students of the college were awarded with gold medal for their excellent performance in the University examinations for the academic year 2019-21.

S	Name	Class	University Rank
1	Anjali Mishra	M.Sc. Mathematics	I
2	Mansi Negi	M.Sc. Botany	I
3	Manisha Chauhan	M.Sc. Anthropology	I
4	Smita	M.A. Home Science	I
5	Manisha	Anthropology	I

Apart from the above, since the year 2017-18 the dedication and commitment of the faculty members has been identified as one of the best practices of the institution. Also with the commitment and the dedication of the teachers in the Arts stream the “Humanities and Social Sciences Council” was constituted in November 2021 with the active participation of the teachers and the students alike. The Council regularly holds lectures, presentations and other events such as the publication of a monthly newsletter with contributions from the students and teachers. It may be pointed out that the entire funding of the council is borne out by the teachers themselves. The faculty of the institution have been its greatest strength on account of which the college has been able to cater to the diverse needs of the students even during the challenging times, whether it was to switch to

online teaching in the post-pandemic period or reaching out to the students residing in a difficult and remote hilly region.

6 जुलाई को श्रीदेव सुमन विवि के तृतीय दीक्षांत समारोह में दी जाएगी डिग्री

पीजी कॉलेज नई टिहरी की 5 छात्राओं को मिलेगा स्वर्ण पदक

नई टिहरी, 25 जून (स.ह.): राजकीय स्नातकोत्तर महाविद्यालय नई टिहरी की 5 छात्राओं को श्रीदेव सुमन विश्वविद्यालय के दीक्षांत समारोह में गोल्ड मेडल से नवाजा जाएगा। शैक्षणिक सत्र 2019 से 2021 के बीच अपनी कक्षाओं में उत्कृष्ट अंक हासिल करने उन्हें यह सम्मान दिया जा रहा है। पीजी कॉलेज की प्राचार्य डा. रेनू नेगी ने बताया कि 6 जुलाई को देहरादून में श्रीदेव सुमन विवि का दीक्षांत में गृह विज्ञान विषय एमए अंतिम वर्ष की स्मिता, एमएससी वनस्पति विज्ञान विषय की मानसी नेगी और एमएससी मानव विज्ञान विषय की मनीषा ने विश्वविद्यालय में सर्वोच्च अंक पाए। प्राचार्य ने कहा कि यह गौरव का पल है।

मनीषा।
