D.O.No.F. 1-15/2009 (ARC) Pt.III

14th May, 2024/24 वैशाख, 1946

आदरणीय महोदय/महोदय,

I am writing to bring to your attention an important matter regarding the regulations on curbing the menace of ragging in higher educational institutions.

In accordance with the Judgment of the Hon'ble Supreme Court of India dated 08.05.2009 in Civil Appeal No. 887/2009, the University Grants Commission (UGC) has exercised its powers conferred by clause (g) of sub-section (1) of section 26 of the University Grants Commission Act, 1956, and subsequently notified the "Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009". These regulations can be accessed on the UGC website www.ugc.gov.in & www.antiragging.in.

It is of utmost importance to reiterate that ragging is a criminal offense and the UGC has taken this matter seriously by implementing regulations to prohibit, prevent, and eliminate this scourge in higher educational institutions. Therefore, it is mandatory for all institutions to fully comply with these regulations, including the establishment of a monitoring mechanism.

In light of the above, you are requested to ensure strict compliance with the Anti Ragging Regulations – 2009. Additionally, it is mandatory for the institutions to fill the compliance report by accessing the following link: https://antiragging.in/compliance_disclaimer.php, before 30.06.2024. To assist you in this process, a list of compliance questionnaires has been attached as Annexure – I for your convenience. Please fill out the questionnaire on the given link. If you require any assistance or have any queries regarding the compliance form, please feel free to contact our Toll-Free Number: 1800-180-5522.

Furthermore, I would appreciate, if you could kindly forward this advisory to all the colleges within your jurisdiction, emphasizing the importance of strict compliance with the directions within the given date as mentioned above.

Your cooperation and adherence to these regulations is greatly appreciated in ensuring a safe and inclusive educational environment.

D.O. No. 16-5/2020-TEL

Date: 29.07.2024

Dear Colleagues,

The NEP 2020 envisions moving towards a higher educational system consisting of large, multidisciplinary universities and colleges and aims to create imaginative and flexible curricular structures promoting a credit-based system that encourages flexible, integrated, and multidisciplinary education thus, removing currently prevalent rigid boundaries and creating new possibilities for life-long learning offering multiple entry and exit points.

2. In order to realize the vision of NEP 2020, an Academic Bank of Credit (ABC) has been established which digitally stores the academic credits earned from various recognized HEIs so that the degrees from an HEI can be awarded considering credits earned. To ensure the realization of the vision of NEP 2020, the role of Academic Institutions is critical by ensuring timely upload of credits to the APAAR credit repository and depositing them in the students' APAAR accounts. This is essential to facilitate the redemption and transfer of credits.

3. In an ideal scenario, all academic institutions must upload credit information immediately post completion of assessments and declaration of results. However as per the information shared by National E-Governance Division (NEGD), it has been observed that the award granting Institutions onboarded on the ABC platform are not depositing credits in the students' APAAR Ids in a timely manner which is defeating the very purpose for which ABC was envisaged.

4. As this is an evolving ecosystem and to support the Academic Institutions, it is decided that all HEIs must complete the pending upload of student data for academic year 2021, 2022 and 2023 no later than 31st December 2024 in the ABC platform. It is to be noted post the completion of the deadline, the said data will be frozen and no further credit deposits will be allowed in the ABC ecosystem. Thus, all HEIs are requested to prioritize the data upload and adhere to the communicated timelines.

It is to be noted that as the ecosystem matures, we shall be moving towards upload of credit data in a time bound manner to support the vision of NEP 2020.

You are requested to review the current status and instruct all the State Universities/ Autonomous Colleges/ Stand-alone Institutions under your jurisdiction to ensure upload of credit data within the communicated timeline.

7. For any technical assistance, you may contact following Nodal person:

The meeting commenced with a welcome note by Chairman Air Marshal (Dr.) Ajit S. Bhonsle to all the committee members. The Chairman greeted all the participants attending the Online Meeting. He urged that the online mode should not dilute the importance of the deliberations and therefore undivided attention from 11 am to 1 pm is necessary. On behalf of the Members, he welcomed Dr. Sunita Siwach, who has taken charge as Joint Secretary (Anti-Ragging Cell) with effect from 07.03.2024. He also bid farewell to the former JS (ARC), Col. Vipin Kaushal, SM and he appreciated and put on record Col. Kaushal's contribution to the cause of anti-ragging measures. In welcoming Dr. Sunita Siwach, the Chairman expressed that she has a brilliant academic record and vast experience in educational administration and was involved with Anti-ragging aspects in the past also, and hoped that with her experience and expertise the Anti-Ragging Campaign will see renewed direction and vigour. Speaking about the renewed direction and vigour in the Anti-Ragging Campaign or the Mission on which all of us are engaged in, we need to seriously introspect and deliberate whether the measures of Anti-Ragging are effective and positive result is visible on the ground across the Educational Institutions in our country. Many a Guidelines, Regulations and Mechanisms are in place emanating from slew of Hon'ble Supreme Court's Orders; however, the question still lingers as to do we have our fingers on the pulse of what is

happening in and outside the educational campuses today? Are the students and parents made convincingly aware of the prevention and prohibition of ragging and do they have faith and trust that their grievances would be adequately addressed, without further recrimination or victimization? Are the potential perpetrators of ragging aware of the consequences of ragging? Are the Heads of the University/ College/ Institutions themselves on a war-footing to fight the menace of ragging on their campuses?

Or, are we fooling ourselves with mechanistic fulfilment of paper work and unreal statistical feedbacks which are diverse from the ground realities? Is our analysis at the UGC ARC Call Centre and the C4Y useful to adopt pro-active approach and out-of-the-box, innovative measures, which translates the theoretical output to effective solutions on ground?

The Chairman alluded to the cases of suicides in the Jadavpur University, Kolkata (09.08.2023) and Kerala Veterinary University (18.02.2024). In the latter case, it was appreciated that ARC at UGC was prompt to inform and follow up on the matter. In this case, the Hon'ble Governor Kerala has taken swift actions. This highlights the effective and expeditious role of Hon'ble Governors of States/ UTs who are Chancellors of their respective State Universities and the need to engage with the office of the Hon'ble Governors on matters of Anti-ragging measures under their State/ UT.

The Chairman stressed that this forum is meant for discussing issues threadbare. It is not merely for showing as to how many boxes have been ticked and are the HEIs under your Councils complying with Regulations of UGC and various Councils. It is a forum to discuss matters beyond the "Feel-good" factors on the paper; the harsh realities, practical difficulties, setbacks as also the innovative and technological solutions including use of electronic social media platforms/ Apps.

We need to go on an "offensive" and not "Defensive" against the scourge of Ragging and not be "defensive". We need to get out of our comfort zones and deliver what is expected out of us. Today's deliberations would lead us in that direction.

Chairman requested JS (ARC) to take the agenda and JS (ARC) welcomed the Chairman and all the members of the committee and took up the agenda for discussion.

This Task Force aims to conduct a thorough study spanning from 2018 to 2022, focusing on

mental health and suicide trends among medical students.

To facilitate this study, the Task Force will administer a comprehensive survey questionnaire tailored for Undergraduate and Postgraduate medical students, as well as Faculty and Administrative staff. Sections of the questionnaire will delve into demographics, academic stressors, social support, coping mechanisms, clinical workload, and administrative challenges etc.

- Taking Anti Ragging Measures
- Conducting workshops, Orientation Programmes
- Appointing Psychologists/Counsellors
- Increasing CCTV Surveillance
- Include Police Authorities while dealing with complaints.
- Directing to provide the contact details of ARC & ARS on the website, especially the ragging prone colleges.

JS (ARC) suggested to write CBSE, JS (School Education, MoE), School Board of Education to organize Anti Ragging awareness programmes at School Levels particularly senior Secondary level so that students at school be aware about the anti-ragging mechanisms available at HEI's. She also suggested collaborating with UNESCO, which is already working to prevent bullying in schools.

Item No.8 Submission by Secretary, UGC.

Secretary, UGC assured the committee that all directions will be immediately implemented.

Submission by Prof. Santanu Mishra:

Prof. Santanu Misra from IIT Kanpur suggested selecting a few medical schools and developing them as exemplars of ragging and harassment-free campuses. He recommended seeking expert opinion and support to shape these model schools and proposed setting clear task-specific milestones along with timelines for this initiative. The successful methods and practices established in these model schools could then be shared with all other medical schools across the country to help them become free from ragging too. It is important to choose these model medical schools from different parts of the country so that the impact is felt everywhere.

Submission by Sh. Varadan Chandar:

Shri Varadan Chandar conveyed the need for shifting all our Anti Ragging Actions from the present "reactive, controlling" mode to "proactive, positive" mode.

He agreed that concrete plans for creating a different system of students' interpersonal relationships like the 'buddy culture' like in the armed forces or 'Mentor-Mentee' type of bonding needs to be generated. The eventual positive outcome expected to the society out of such healthy interpersonal relationships and mutually caring support systems built up amongst the student community can be enormous, he emphasized.

Generation of a guideline's brochure to the heads of institutions with the inputs of experts from us on these lines can be the first step in this direction, he felt.

Introduction of such novel plans could further be considered at the school levels itself as an extended part of the National Education Policy and such initiatives could go a long way in curbing the practices of 'bullying' prevalent at such levels, nipping such undesirable attitudes at the bud itself.

To address the problems of increasing number ragging related suicides, he reiterated that deviation from the current advisory roles by the regulatory bodies and adopting an approach of 'carrot and stick' policy towards their constituent institutions.

While severely admonishing and reprimanding those institutions where these incidents are getting alarmingly recurrent, it is equally important for the regulatory bodies to identify and proudly appreciate and reward those institutions under them who have been consistently maintaining a " Ragging Free" atmosphere in their Campuses at least for the last ten consecutive years. He felt that the impact created by inspirational motivation of such dual approach policy over others could be very significant especially if such award functions are carried out with sound imagination and great fanfare and publicity

inviting popular dignitaries and encouraging nationwide media coverage for such events.

He further conveyed an earnest wish that to begin with, the Task Force of NMC itself could give consideration for such a modified policy approach on an experimental basis.

Regarding response actions for the complaint communications to our call center, he emphasized on the need for distinguishing and culling out the small numbers of serious and emergency types of complaints from out of the vast numbers of the run of the mill types of complaints and identifying them for closer and intense empathetic actions.

For prevention of any potential untoward consequences in such complaints, a close scrutiny of the past data has to be carried out to identify screaming words and terms, emotive words of despair or desperation, panicked words of vulnerability etc. which point towards the seriousness of the situation at the field levels.

When these terms are captured in the current times, they have to be flagged as RED cases and must be handled with sensitivity by senior and experienced staff only. Closely communicating with the students with great empathy and simultaneously alerting the authorities promptly in such instances for controlling actions should be carried out with a firefighting mode without any laxity.

Handling such cases with great alacrity and vigil and preventing all possible suicides with such prompt responsive actions can be the greatest act of joy and fulfillment for the staff of our call centers. This Committee will be very glad to hear such success stories from their Chief in their subsequent presentations.

Submission by Ajay Kumar Joshi, US (ARC)

US (ARC) suggested that it would not be appropriate not to mention the "Seat Leaving Bond" (of around Rs.30-40 lakh) heard during the representation of the National Medical Commission.

It is a huge penalty if any student at any stage evaluates himself correctly whether to continue or discontinue his study. Such a penalty could lead to a mishapening. This is PENALTY for TRUTH.

Closing Remarks by Air Marshal (Dr.) Ajit S. Bhonsle:

In his closing remarks, the Chairman pointed out that the Hon'ble Supreme Court had been seized with the issue of Ragging since 1998. Between 2001-2009, the Hon'ble Supreme Court has passed eight Judgements/ Interim Orders/ Orders; the first one was passed in 04 May 2001 and the last one on 16 May 2009. Across these pronouncements, the Hon'ble Apex Court has also delved on the Ragging / Bullying in our Schools and the need to address the menace from School level itself. This is an important issue which needs to be attended to, as students graduate from Schools to

Higher Educational Institutes and therefore, they need to be indoctrinated at the school-level itself about the scourge of Ragging / Bullying. This will bring a cultural change across our educational institutes from Primary / Secondary / Higher Secondary / College / University. The Draft Regulations/Guidelines for curbing Ragging in Schools was prepared by UGC and forwarded to Ministry of Education on 13 July 2022. The same may be processed on priority for issue to all the School Education Control bodies and State Governments.

The Chairman suggested that there should be a web-link provided on the website of Ministry of Education to the ARC (UGC) web portal. It was so in past, when the website of the Ministry of HRD had a web – link with the Anti Ragging Committee's Portal. Further the ARC (UGC) web page needs to be dynamic and interactive. Necessary investment in e- infrastructure needs to be done. He also recommended that the subject of Anti-Ragging Measures be included in the agenda points at the Meeting of the State Govt Education Ministers Meeting in Delhi under the aegis of the Ministry of Education, Govt of India. Further, in the forms of the UGC's plan funding meetings/ visits to the HEIs / UNIVs, the aspect of Anti-ragging Measures be discussed.

He urged that the Anti- Ragging App be made operational expeditiously for which necessary funds be released.

In the upcoming revision of the 'UGC Regulations on Curbing the Menace of Ragging in Higher Educational institutions, 2009', it is recommended that in the aspects of "What constitutes Ragging?" the aspects of malicious use of electronic media / mobile technology such as Cyber -bullying, Stalking, Sextortion, Doxing, to harass individuals or to cause harm to another, may be included. The after effects of which are severe leading the victim to shame, guilt, isolation, humiliation, depression, anxiety and suicidal tendencies. The HEIs need to be cognizant of it and have mechanisms to report and act upon such cases. The next off line Meeting will be in June 24 at the UGC, for which the date will be decided by end of May 24.

The Chairman thanked all the participants and closed the meeting.

The meeting concluded with JS (ARC) proposing the vote of thanks to all the members attending this meeting.
